NSA is coming to California!

Networking Evenings

What: An invitation-only event for promising students to **chat first-hand with National Security Agency (NSA) employees**. Learn about the mission, ask your most pressing questions, and even score an interview for the following day! All majors welcome to apply - focus is on STEM, data analysis, foreign language analysis, and business.

When & Where: Two separate evenings:
- Monday, November 12 - Orange County, CA
- Thursday, November 15 - Silicon Valley, CA

How to Apply: Email **RecruitNSA@nsa.gov** by **October 19th** with:
1. A copy of your resume
2. Your preferred networking evening location
3. 200-word blurb explaining your interest in NSA

If you are selected to attend a networking evening, NSA will contact you directly with event details!

Interview Days

What: NSA Hiring Managers are venturing from D.C. to California to interview the West Coast's brightest! On-site interviews will be held for **Computer Science**, **Engineering, Data Science, Math, Foreign Language** (Chinese, Korean, Russian, Arabic, Farsi), and **Business** opportunities. Upon a successful interview, you may even walk away with conditional job offer from NSA!

When & Where: Two separate days:
- Tuesday, November 13 - Orange County, CA
- Friday, November 16 - Silicon Valley, CA

How to Land an Interview: Apply online at *IntelligenceCareers.gov/NSA* **by October 19th** to the:
"Regional Hiring Showcase California" job posting (#30001085)

If you are selected for an interview, NSA will contact you directly with a personal invitation and details on the day!

NOTE: *You are encouraged to **apply for both** the Networking Evenings and the Interview Days! The application processes do not impact one another.*

U.S. citizenship is required.
NSA is an Equal Opportunity Employer.
