

Los Alamos National Laboratory summer 2022 undergraduate, graduate, and research opportunities:

Electrical Engineering

jobs.lanl.gov

Undergraduate: IRC88812

Engineering (electrical, mechanical, chemical, civil, etc.)

jobs.lanl.gov

Undergraduate: IRC87958

Graduate: IRC87959

Computational Science

jobs.lanl.gov

Undergraduate: IRC87956

Graduate: IRC87957

Bioscience

jobs.lanl.gov

Undergraduate: IRC87954

Graduate: IRC87955

Physical Science (astronomy, chemistry, physics, geology, sciences, etc.)

jobs.lanl.gov

Undergraduate: IRC87960

Graduate: IRC87961

Applied Machine Learning Summer Research Fellowship (mathematics, physics, engineering, etc.)

<https://www.lanl.gov/projects/national-security-education-center/information-science-technology/summer-schools/applied-machine-learning/index.php>

The 23rd Los Alamos Dynamics Summer School (robotics, mechanical, electrical engineering, etc.)

<https://www.lanl.gov/projects/national-security-education-center/engineering/los-alamos-dynamics-summer-school/index.php>

Cybersecurity Summer School (cybersecurity, system administration, IT, etc.)

<https://cyberfire.training/school/>

Quantum Computing Summer School Fellowship (computer science, physics, mathematics, engineering, etc.)

<https://www.lanl.gov/projects/national-security-education-center/information-science-technology/summer-schools/quantumcomputing/index.php>

Supercomputer Institute (high performance computing, system administration, computer science, etc.)

<https://www.lanl.gov/projects/national-security-education-center/information-science-technology/summer-schools/cscnsi/index.php>

Computational Physics Student Summer Workshop (physics, mathematics, etc.)

<https://www.lanl.gov/org/padwp/adx/computational-physics/summer-workshop/index.php>

Data Science at Scale Summer School (computer science, artificial intelligence, high performance computing, etc.)

<https://www.lanl.gov/projects/national-security-education-center/information-science-technology/summer-schools/data-science-scale-summer-school/index.php>

Community Data Science Fellow (computer science, physics, mathematics, engineering, etc.)

<https://www.lanl.gov/projects/national-security-education-center/information-science-technology/summer-schools/data-science-fellow/index.php>

Los Alamos National Laboratory early career opportunities:

Electrical Engineering

jobs.lanl.gov

IRC89176

Engineering Technologist

jobs.lanl.gov

IRC91894

Embedded Software Engineer

jobs.lanl.gov

IRC88231
