

A job with Apple is closer than you think. **Work where you live: Be an Apple Support College Advisor.**

If you're a student at a participating university, you can apply to become an Apple Support College Advisor, working from where you live. When customers contact Apple for help, an Advisor answers the call. You'll be the friendly voice of Apple, providing world-class customer support, troubleshooting, and technical assistance.

In addition to competitive pay and the opportunity to make a difference, this position comes with full Apple benefits that include paid time off, product discounts, and the option to buy Apple stock at a discount. You can also expect a work schedule designed around your classes, comprehensive paid training, and dedicated resources to support your ongoing growth and career development.

For more information and to apply, visit www.apple.com/jobs/us/college_advisor.html.
